January 2015

Now Available for Pre-Order!

The Fenway Guide to Lesbian, Gay, Bisexual, and Transgender Health, 2nd Edition

We are excited to announce that newest edition of *The Fenway Guide to Lesbian, Gay, Bisexual, and Transgender Health* is now available for pre-order! This new 2nd edition reflects clinical and social changes since the publication of the first edition. Written by leading experts in the field of LGBT health in conjunction with The Fenway Institute at Fenway Health, this edition continues to present the important issues facing patients and practitioners, including:

- Principles for taking an LGBT-inclusive health history
- Caring for LGBTQ youth, families, and older adults
- Behavioral Health Care: coming out, intimate partner violence, drug, alcohol, and tobacco use
- Understanding health care needs of transgender people
- Development of gender identity in children and adolescents
- Sexual health and HIV prevention
- Policy and legal issues

Upcoming Webinars

Current Progress in PrEP and other HIV Prevention Technologies

Date/Time: January 29, 2015 3:00-4:00pm ET

Faculty: Ken Mayer, MD, Co-Chair and Medical Research Director, The Fenway Institute, Fenway Health, Director of HIV Prevention Research, Beth Israel Deaconess Medical Center, Professor of Medicine, Harvard Medical School

Sponsors: The New England AIDS Education and Training Center, and the National LGBT Health Education Center

Description: Dr. Kenneth H. Mayer, a world-renowned expert in HIV research and care, will discuss the current state of implementation of new HIV prevention technologies, with a primary focus on pre-exposure prophylaxis (PrEP). Dr. Mayer will also touch on current progress being made in research on other technologies, such as vaccines and new delivery methods for PrEP. Please join us for this informative webinar.

SBIRT with LGBT Patients: Identifying and Addressing Unhealthy Substance Use in Primary Care Settings

Date/Time: Wednesday, February 4, 2015, 2:00pm ET

Faculty: Lee Ellenberg, LICSW, Training Manager, MASBIRT Training & Technical Assistance, MA SBIRT TTA, Boston Medical Center and Boston University

Sponsors: The National LGBT Health Education Center

Description: Lesbian, gay, bisexual, and transgender people are at a higher risk of substance abuse than their heterosexual counterparts. It is important for primary care providers to be aware of this disparity, and have strategies to refer LGBT people to treatment at their disposal. Lee Ellenberg of the Massachusetts SBIRT Training and Technical Assistance Program will describe Screening, Brief Intervention, and Referral to Treatment (SBIRT) in this webinar. Mr. Ellenberg will guide participants on when to use SBIRT and the efficacy of the intervention.
