The CDC has released the 2015 STD Treatment Guidelines, including revised recommendations for men who have sex with men (MSM), transgender people, and women who have sex with women (WSW). In this webinar, Nick Van Wagoner, MD, PhD, will update health care providers and other participants on STD risk and prevalence among

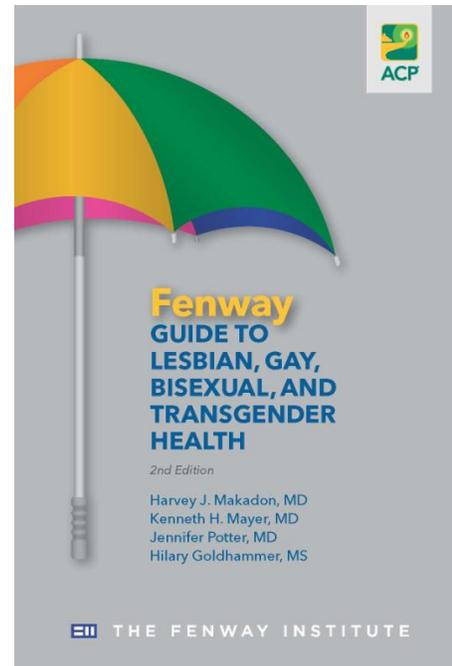

LGBT subgroups, and share current recommendations for appropriate screening, treatment, and follow-up. He will also be discussing opportunities for enhanced STD control among LGBT people. Please join us to learn more about this important aspect of LGBT health care!

The Fenway Guide to Lesbian, Gay, Bisexual, and Transgender Health, 2nd Edition

We are excited to announce that the newest edition of The Fenway Guide to Lesbian, Gay, Bisexual, and Transgender Health is now available! This new 2nd edition reflects clinical and social changes since the publication of the first edition. Written by leading experts in the field of LGBT health in conjunction with The Fenway Institute at Fenway Health, this edition continues to present the important issues facing patients and practitioners, including:

- Principles for taking an LGBT-inclusive health history
- Caring for LGBTQ youth, families, and older adults
- Behavioral Health Care: coming out, intimate partner violence, drug, alcohol, and tobacco use
- Understanding health care needs of transgender people
- Development of gender identity in children and adolescents
- Sexual health and HIV prevention
- Policy and legal issues

Learning Modules

Our Learning Modules were developed to help clinicians and other health care professionals improve the quality of care for lesbian, gay, bisexual, and transgender (LGBT) patients in health centers and other health care organizations. **Topics include *Achieving Health Equity for LGBT People, Improving Health Care for Transgender People, Caring for LGBTQ Youth in Clinical Settings, and Caring for LGBT Older Adults.***

We updated the Learning Modules to reflect current research as well as cultural and social

changes in terminology, identity, and more. In addition, we now offer the Modules in two formats: 1) interactive online self-guided learning and 2) slides that can be adapted for teaching LGBT health to others. Free CME/CEU is available for completing each module.
