LGBT people face multiple barriers to accessing inclusive and affirming care. Health centers and other health care organizations are well-positioned to provide environments

that are welcoming to the LGBT people in their communities, and many are seeking guidance in how to do so. In this webinar, Dr. Harvey Makadon, Director of the Division of Education and Training at The Fenway Institute, will lead participants through ten key practices for creating LGBT-inclusive and affirming in health care organizations. Participants will learn approaches ranging from shaping policies and processes, to collecting data, to engaging the community.

New This Week!

Education Center director Harvey J. Makadon, MD was featured in the Huffington Post this week about the future of LGBT health. [Read the article here.](#)

The Fenway Guide to Lesbian, Gay, Bisexual, and Transgender Health, 2nd Edition

We are excited to announce that the newest edition of The Fenway Guide to Lesbian, Gay, Bisexual, and Transgender Health is now available! This new 2nd edition reflects clinical and social changes since the publication of the first edition. Written by leading experts in the field of LGBT health in conjunction with The Fenway Institute at Fenway Health, this edition continues to present the important issues facing patients and practitioners, including:

- Principles for taking an LGBT-inclusive health history
- Caring for LGBTQ youth, families, and older adults
- Behavioral Health Care: coming out, intimate partner violence, drug, alcohol, and tobacco use
- Understanding health care needs of transgender people
- Development of gender identity in children and adolescents
- Sexual health and HIV prevention

- Policy and legal issues

Learning Modules

Our Learning Modules were developed to help clinicians and other health care professionals improve the quality of care for lesbian, gay, bisexual, and transgender (LGBT) patients in health centers and other health care organizations. **Topics include** *Achieving Health Equity for LGBT People, Improving Health Care for Transgender People, Caring for LGBTQ Youth in Clinical Settings, and Caring for LGBT Older Adults.*

We updated the Learning Modules to reflect current research as well as cultural and social changes in terminology, identity, and more. In addition, we now offer the Modules in two formats: 1) interactive online self-guided learning and 2) slides that can be adapted for teaching LGBT health to others. Free CME/CEU is available for completing each module.
