New CME/CEU Opportunity

Delivering HIV Prevention and Care to Transgender People

Date/Time: Monday, March 5

Faculty: Asa Radix, M.D., M.P.H., F.A.C.P., AAHIVS; Kevin Ard, M.D., M.P.H.; and Ayana Elliott, D.N.P., A.P.R.N., FNP-C

Delivering HIV Prevention and Care to Transgender People

A New CME/CEU
Program, developed
by CDC and the
National LGBT Health
Education Center

Transforming Health

Learn the latest information on HIV prevention and care for transgender people as well as strategies that health care providers can implement in their practices to help curb the epidemic and to make their transgender patients feel welcomed. This web-based CME/CEU program is from the Centers for Disease Control and Prevention (CDC) and the National LGBT Health Education Center.
